

Hertford Area Representative Report

Thankfully it has been an uneventful season with no major issues, therefore little to report

The league was comprised of three divisions of Mens 4, two divisions of Ladies 4 and three divisions of Medley. Unfortunately yet again the league had no divisions of Mens, Ladies or Mixed 6 due to lack of interest

Wizard and Stevenage clubs both won two divisions

Hatfield won the Ernest Pearce Memorial trophy being the club causing the league organisers the least hassle

I was unfortunately unable to attend the recent AGM but am told the committee were all re-elected en bloc but with Simon and Anne Carter hoping to move away next year, a new secretary and treasurer will have to be found for season 2018-19

The fixtures meeting is set for Tuesday 5th September
